*Please Note: Students in their junior and senior year, and on track to graduate, may request to substitute up to four Calvary courses (total) with their equivalent dual credit course(s) to be applied toward graduation requirements. Only courses listed on this Course Equivalencies Guide will be accepted for dual credit through TWU. Students are responsible for meeting prerequisites for each course. It is also the student's responsibility to enroll and register at TWU and complete all the requirements for acceptance. Some classes are only offered in specific semesters. Courses taken for dual credit will incur a \$150 processing fee per semester to DCA.
